Dear Mrs. Metzger:

Thank you for your letter of July 7, 1960, in which you state you would like to discuss publishing arrangements as representative of Doubleday and Company, should I decide to get out a book.

Ken McCormick, Editor-in-Chief of Doubleday, has also been in touch with me on this same subject. I told him at that time that I shall probably not be writing anything of the nature he discussed in the immediate future. However, I shall certainly keep in mind the interest of Doubleday and Company.

It was thoughtful of you to write and to remind me that you live at the top of Langley Hill so that we will be neighbors when CIA moves next year into its new headquarters building.

Sincerely,

SIGNED
